### **Fish and Wildlife**

Hunting and fishing are major forms of recreation for the Soldier, their family members and the general public. Fort Riley typically supports approximately 6,500 hunting and fishing trips annually. Soldiers and their dependents account for 40 - 50% of these trips. Fort Riley is a well-known destination for quail and deer hunters. Annually, 500 deer tags are issued for firearm hunting. Fort Riley supports 125 - 150 free-ranging elk, the largest herd in the state. Fort Riley and the surrounding private lands are the only place in Kansas where elk are hunted.

Several times per year, Fort Riley hosts special fishing trips such as a kid's fishing day, a senior fishing day and other special events.

Sales of hunting permits generate an average of \$20,000 annually. Additional income to the fish and wildlife account is derived from donations from private, non-profit conservation groups such as Quail Unlimited, Rocky Mountain Elk Foundation, Ducks Unlimited, National Wild Turkey Federation and Pheasants Forever.

## **Recycling Center**
